

Meet the Art Teacher

Mrs. Sarah

About Me:

Welcome to the 2025-2026 school year! I am so proud to be a part of your child's future here at Trinity-First! I have been teaching at Trinity-First for 17 years and art has been my passion since I was a young girl. I enjoy seeing how these little ones grow throughout the school year and the skills each one acquires as they learn the process of creating and exploring in our art space. I am married and have three children, all who have been a part of the Trinity-First family. I enjoy gardening, eating at local family owned restaurants and crocheting blankets for friends and family. Each week I will be creating an updated art schedule with details to all the projects your little ones will be creating throughout the year. I will upload these schedules through your child's WhatsApp chat group. I look forward to meeting you and your family soon!

Crewneck
shirt

A Few Preschool Techniques and Objectives in the Art Room

- Identify lines and shapes
- Identify primary and secondary colors
- Color mixing
- Collage
- Creating painted paper

Size youth
Small
Crewneck
shirt

Parent Support

Show your support by providing one clean, or brand new, white, crew neck t-shirt for your student by the first week of school. These shirts will become their art smocks for the year! We will decorate them as soon as each classroom supplies their shirts. I will also provide reminders on group chats. Sizes are suggested above for each group.

Contact Information:

Please feel free to contact me anytime through the WhatsApp platform. My door is always open so please pay me a visit! I am located on the 1st floor of Trinity Hall!
